Mr. Alexander Pallasigue  
Hiring Manager  
Stratpoint Technologies, Inc.  
Quezon City, Metro Manila

Sir:

I am applying for the UI/UX Designer position at Stratpoint Technologies, Inc. With a BS in Information Technology degree and hands-on experience in Figma, wireframing, user-centered design, and responsive interface development, ready to contribute to your creative and innovative projects.

I am available for an interview anytime. You may contact me at 0971-890-101 or [katecastro12.kc@gmail.com](mailto:katecastro12.kc@gmail.com). I have attached my resume for your review.

Very truly yours,

Kate Alysabelle S. Castro

Mr. Steve Jobs  
Hiring Manager  
Apple Inc.  
Curpertino, California, USA

Sir:

I am excited to apply for the Back-End Developer position at Apple Inc. As a second-year BSIT student with hands-on experience in server-side development, I am eager to contribute my skills in PHP, MySQL, and RESTful API integration to your team.

Thank you for your time. I'd love to discuss how I can contribute to Apple's legacy. Looking forward to your response.

Very truly yours,

Armando B. Sagayoc Jr.

Mr. John Reyes  
Hiring Manager  
Technova Solutions, Inc  
Bonifacio Global City,  
Taguig, Metro Manila

Sir:

I am writing to express my interest in the Senior Software Engineer position at TechNova Solutions Inc., as advertised. With over five years of solid experience in software development, system integration, and IT instruction, I am confident that my technical expertise and leadership skills will make a valuable contribution to your team.

Thank you for considering my application. I look forward to the opportunity to further discuss how my background and skills can support the success of your organization.

Very truly yours,

Francis Kyle Arranchado

April 30, 2025

Mr. Sam Altman  
Hiring Manager  
Open AI  
San Francisco, California

Sir:

I am applying for the Data Analyst position at OpenAI. As a graduate of Bukidnon State University with a degree in Information Technology, I have a strong passion for working with data and drawing insights that support meaningful decisions. I believe my background, interest in data analysis, and dedication to learning make me a good fit for your team.

I am available for an interview anytime. You may contact me at 0961-452-7106 or via email at janusezam@gmail.com. I have attached my resume for your review.

Very truly yours,

Janus Ezam Tagud

April 30, 2025

Mr. Steve Jobs  
Hiring Manager  
Apple Inc.  
Cupertino, California, USA

Sir:

I am applying for the Fullstack Web Developer role at your company. With experience in PHP, HTML, CSS, JavaScript, and basic knowledge of Laravel and React, I have developed and maintained responsive websites during my time at BrightClick Agency. I'm eager to apply my skills and grow with a team that values innovation and learning.

I am available for an interview anytime. You may contact me at 0906-643-1882 or via email at [kayaoslanz13@gmail.com](mailto:kayaoslanz13@gmail.com). I have attached my resume for your review.

Very truly yours,

Erwin Lanzaderas

Ms. Ashely Hernandez  
Hiring Manager  
Concentrix  
Cagayan De Oro City  
Misamis Oriental, 9000

Madam:

I am writing to apply for the IT Support/Technician position. With over two years of experience in hardware and software troubleshooting, as well as a TESDA NCII certification, I am confident in my ability to contribute effectively to your IT team.

Currently pursuing a BS in Information Technology at Bukidnon State University, I have hands-on experience in installing and maintaining computer systems, printers, and network devices.

I am also skilled in technical problem-solving and committed to delivering reliable support. Thank you for considering my application. I would welcome the opportunity to discuss how I can support your team.

Very truly yours,

Yanrey Romaine Estrada
